Honorable John B. Hollister  
Director, International Cooperation  
Administration  
Washington 25, D. C.

Dear John:

Thank you for your letter of June 10 and the attached staff study concerning means and methods to carry out the President's Baylor proposals regarding private assistance to overseas education. Our people find the paper most interesting and believe it should help and expedite the work of the interagency committee appointed to deal with this matter.

CIA has appointed an observer to work with the committee. We will, of course, be happy to contribute to its work whatever useful information we have.

Sincerely,

Allen W. Dulles
